

3" Siding/Light Framing (Sheathing) Coil Nailer NV75A5

The 3" Siding /Light Framing Coil Nailer NV75A5 bridges the gap between framing and siding on the jobsite. It has the power to frame and the precision and convenient features needed for siding work. The capability to drive up to 3" X 0.131" fasteners, and adjustable depth of drive make it the perfect tool for sheathing applications. Its lightweight (5.7 lbs.), flexibility to accept wire and plastic collated nails, no mar nose cap, and selective actuation give it the convenience needed for siding applications.

Additional features like the side-load tilt bottom magazine, 360° adjustable air deflector, aluminum rafter hook, and plastic shield make the NV75A5 the tool of choice for any framing and siding crews.

FEATURES

- **Tool-less depth or drive adjustment** for flush fastening in varying materials
- **Drives wire and plastic sheet collated nails** for added flexibility
- **Selective actuation switch** allows for either sequential or contact nailing with the simple flip of a switch
- **Side load, tilt bottom magazine** for fast and easy reloads
- **See-through magazine** provides easy visual of remaining fasteners to prevent dry-fires
- **Open nose design** for easy nail removal
- **Plastic shield** deflects wire collation for added safety
- **Adjustable air deflector directs** the air exhaust in any direction
- **No mar nose cap** protects material from accidental marks
- **Hardened claw tip** resists wear & grips more for driving nails at different angles
- **Aluminum Rafter Hook** included for convenience

STANDARD ACCESSORIES INCLUDED

No Mar Nose Cap	883106
Aluminum Rafter Hook	889661M
Safety Glasses	875769

SPECIFICATIONS

Brand			Metabo HPT
Model			NV75A5
Air Pressure		PSI	70-120
Applicable Nails (Wire Collated)	Diameter	in.	0.099" - 0.131"
	Length	in.	1-3/4" - 3"
Applicable Nails (Plastic Collated)	Diameter	in.	0.090" - 0.099"
	Length	in.	1-3/4" - 2-1/4"
Nail Capacity			200-300
Magazine Angle			16° Wire - 15° Plastic
Magazine Loading			Side Load - Tilt Bottom
Actuation			Selective (Sequential/Contact)
